

**2nd February 2023**

## Dear Parents,

There have been lots of coughs and colds in school this week and probably not helped by the sandstorm on Wednesday. If your child is unwell please don't send them into school until they are better.

Please can you make sure that your child does their homework on time as I noted that a few demerits were given out this week for not hitting the appropriate deadline for the task set. If there is a good reason for it not being done please send a note to the member of staff as they really are an understanding team. We are trying to get the students to be more independent and they need to organise their time appropriately.

A gentle reminder to you to return the permission slips and money on Sunday for the trip next week to KiDDA. Please can you make sure that your child is in full school uniform as they are ambassadors for the school.

Mr Simon James, the Head of Kent College Junior School in Canterbury, will be coming over to visit us on 18th -21st February. He will attend our Open Day on the 18th and I will arrange for you to have the chance to meet him on the 19th February in the afternoon before pick up.

The response to the trip to the UK has been wonderful and the administrative team are just working on getting the best prices for flights, visas and travel insurance as appropriate.

---

We will not be raising flag for the next two weeks as work is being done outside the dining room where we line up. Contractors are putting down a special surface and painting numerous lines on it to allow us to play a multitude of sports in that area. This is going to give us many more sporting opportunities which is exciting.

Thank you to Mr Bailey for delivering a presentation on "How we teach IT at Kent College West Cairo." He talked about the various platforms we use at the school and what they do in classes.

Miss Alexander gave an assembly on reading buddies which is a lovely initiative to allow students from the Primary school to read to Early Years children in their Library period.

The House Cup was won by **Chaucer**.

**Stars of the Week**

FS1K - Ahmed

FS2K - Aly

Year 1 - Farida

Year 2 - Sherif

Year 3 - Talia

Year 4 - Rodina

Year 5 - Adam

Year 6 - Selim

Year 7 - Sedra

Have a lovely weekend.

Johnnie Kittermaster  
School Headmaster
