

3rd May 2023

Dear Parents,

The Summer Term has started off well with the students pleased to see each other and their staff after the Eid and Easter break.

The Year 7 students had Ministry assessments on the first day of term and assessments for other year groups will take place next week, please make sure that the students spend some time revising from the packs that they have been given.

There is much to look forward to this term with Inter-House volleyball and basketball competitions, French day, STEAM day delivered by Snapology, an ECO day, Chaucer's Charity Day, Healthy Eating Week, and a Wellness Day. Of course there are also the end of year assessments in the last week of May to look forward to! To end the term we will have an end of year Summer Concert and Prize Giving Celebration. Reports will be given out on the last Thursday of term which will give you a chance to discuss anything with staff before the term ends the following week.

We will continue to have Parent Partnership Programme Meetings on Thursdays at 1.20pm. The schedule is as follows;

- 11th May How to raise a Healthy Child
- 25th May How to help your child revise and sustain interest
- 8th June Internet safety for Parents

Our 3D printer has arrived at last and Staff will receive training on how to use it as part of the STEAM curriculum next week, along with Virtual Reality training; these are very very exciting additions to our educational provision!

Please ensure that your child is coming to College in the correct school uniform on a daily basis. They should only be wearing PE kit on days that they have PE. If they are wearing school uniform students should be wearing black leather shoes and not boots or trainers.

Star of the Week:

FS1K - Youssef	Year 2 - Sherif D	Year 5 - Adam
FS2K - Aly	Year 3 - Talia	Year 6 - Nevein
Year 1 - Zidan	Year 4 - Nour	

Have a lovely weekend.

Johnnie Kittermaster
School Headmaster
