**30th March 2023**

## Dear Parents,

As you are aware Simon James, the Head of the Junior School at Kent College UK came over for his Education Inspection earlier this month and I urge you to read his Inspection Report which is attached. The results are very pleasing particularly for such a young school with so many excellent comments. My thanks to all of the staff who work so hard in ensuring high class education for all our students. Also, I would like to thank you for your continued support.

Thank you for being so supportive with our new Ramadan timings this week. I would like to remind you that children can be dropped at school from 8:15 am and before 8:30 am when we have the raising of the flag ceremony. At the end of the day all children must be collected by 1:30 pm.

I would like to inform you that **Sunday 2nd, April** we will celebrate World Autism Day. We encourage the students to wear the colour blue dedicated for Autism Day. If you would like to donate money to the Egyptian Autistic Society there will be collections at both Reception points in the school.

As the weather is starting to warm up, we are switching over to our Summer uniform from Sunday.

I would like to congratulate all of our students who are fasting at this time for showing great mental strength as I understand that the first week of Ramadan is the hardest one in the Holy Month. Kindly find our April Lunch Menu attached to this email.

Congratulations to **Chaucer** for winning the House Cup this week.

### Stars of the week:
